   AGENDA
A motion to approve Item No. A27.052 was made and seconded. Chair Summerville stated that the Committee held an extensive interview with Mr. Stone. The resume was sent to all members of the Appointments Committee.

Rep. Berns stated that he served on the Environmental Protection Board for five years from 1990 to 1995, during which time Mr. Stone also served. Mr. Stone is not the only person serving on the Board at this time that does not have, what appears to Mr. Berns, to be a particular interest in protecting the environment; specifically, with reference to the area around the Lake Windemere project. Prior to Lake Windemere having been brought to the attention of this Board, there was a vernal pool in the northwestern part of that property, which was bordered by three other properties. Mr. Stone joined with a majority of the EPB to approve buildings all around this vernal pool in all likelihood killing off the biological value of this vernal pool. For people not familiar with vernal pools, they are sort of like super wetlands. There are newts, frogs and other things extra, above and beyond the normal wetland. This is why he is opposed to Mr. Stone’s being appointed to this Board.

Rep. Day stated that as chair of the Land Use Committee, he has attended a number of EPB meetings. He has always found Gary Stone to have a great balanced view, he takes issues seriously, and the EPB, in his recollection, unanimously approved the Lake Windemere project.

Said motion was approved by a machine vote of 33-2-0 (Reps. Adams, Aposporos, Blackwell Boccuzzi, Cannady, Coppola, Day, DeLuca, Diamond, Esposito, Fedeli, Figueroa, Franzetti, Giordano, Greenberg, Hunter, Larobina, Layton, Lodato, Lombardo, Lyons, Mallozzi, C. Martin, D. Martin, McCullen, Mirkin, Molgano, Pia, Rauh, Skigen, Summerville, Young and Zelinsky in favor; Reps. Berns and Heaphy opposed) (See RCS Vote Record No. 745).

**LEGISLATIVE & RULES COMMITTEE:**

James D. Diamond, Chair  
Arthur Layton, Vice Chair

*(Attendance)*  
Meeting: Monday, September 18, 2006  
7:00 p.m. – Democratic Caucus Room

Chair Diamond reported that the Legislative & Rules Committee met on Monday, September 18, 2006. Present were Chair Diamond and Vice Chair Layton and Committee Member Reps. Day, Esposito, Heaphy, Lodato, Lombardo, C. Martin, Mitchell and Zelinsky; excused was Rep. Berns. Also present were Rep. Rauh; Ben Barnes, Director of Administration; Sybil Richards, Deputy Corporation Counsel; and Michael Duggan and Ken Brown of Domus.

1. **LR27.026**

RESOLUTION & Public Hearing; approving Amendment #1 to a lease between the City and Domus Foundation, Inc. for Domus’ use of 17 Forest Street; to reduce rent from $1,500/month to $1/month, extend lease for 3 years retroactively from July 1, 2006 and to allow Domus to operate new outreach programs.  
08/25/06 – Submitted by Mayor Dannel P. Malloy  
09/05/06 – Approved by Planning Board  
09/12/06 – Approved 5-1-0 by Board of Finance  
09/18/06 – Committee approved 9-1-0 (as amended)

Chair Diamond moved to approve Item No. LR27.026; said motion was seconded. Chair Diamond stated that Domus runs two programs – Avenues and the Juvenile
Justice Program – at 17 Forest Street. Domus lost its state grant funding in January. Their lease with the City was expected to terminate June 30, 2007. They came to the City and asked for a reduction of rent from $1,500 per month to $1 and for an extension of the lease for two years. The Committee rejected that approach, and altered the lease and said that we won’t extend the lease, but during the period until June 30, 2007, we will reduce the rent to $1. Simply, Domus cannot pay the rent, they are running valuable programs on behalf of the City of Stamford that we don’t want to lose.

Rep. Zelinsky stated he voted against this item at the Legislative & Rules Committee meeting. The Domus Foundation does excellent work in our community. Mr. Duggan and his staff are to be commended for all the good they do for some of our youth and students. However, he cannot in good conscience vote for any organization to pay $1 a year for rent to the City. In his 11th District, there are approximately 25 homes for sale. Many are selling because they cannot afford our high property taxes. Also, renters are moving out because they cannot afford the rents. Mr. Zelinsky stated he had one woman cry on the phone talking to him because she was evicted because she could not pay her rent. On this principal, he cannot vote for $1 a year lease, when people cannot afford to pay property taxes or rent. Domus should be able to pay some rent, they get contributions and money from other sources, and he believes they should be able to pay something.

Rep. Day stated he finds it hard to believe that anybody on this Board could not go along with this. The space is not marketable to anybody else; what are we suggesting we do? Not have these programs. The costs that we are incurring here is a fraction of the value of the programs that we are asking this organization to provide, and without these programs we do not meet our social responsibilities as a city. Rep. Day states he finds himself in a state of embarrassment that there could be opposition to this.

Rep. Zelinsky stated that based on those comments, he must relate to his colleagues that the night of that meeting, two other representatives raised some questions regarding the organization and charity work, and requested an audit. There was discussion to have the item held for one month, which would do no harm whatsoever, the city was certainly not going to evict them from the premises, and get the answers to the questions. But, for some unknown reason, and he is shocked and appalled that the Committee and some members very strongly, for whatever reason, wanted to push this thing through to be voted on tonight. He believes that if we could have held it a month, received the information from Domus and possibly negotiated some type of rent, that they could afford, and everybody would have been happy. Mr. Zelinsky stated he is also surprised.

Chair Diamond stated he wanted to correct any possible misperception that Domus is doing charity work. Domus is not doing charity work. Domus is providing valuable services on contract with the City that the City has a responsibility to provide. If we don’t approve this, we are going to be back approving funds for it in another way. These are city services, it is not a charity; it would be irresponsible for the Board not to approve this tonight.
The item was approved by a machine vote of 31-1-0 (Reps. Adams, Aposporos, Berns, Blackwell Boccuzzi, Cannady, Coppola, Day, DeLuca, Diamond, Esposito, Fedeli, Figueroa, Franzetti, Giordano, Greenberg, Heaphy, Hunter, Larobina, Layton, Lodato, Lombardo, Lyons, Mallozzi, C. 4/23/2013 6:08 PM
Co-Chair Coppola reported that this item was held in Committee. The Committee had invited people from both golf courses to try and come up with a fair and equitable agreement on revenue-sharing. They proposed to the Committee a 58%-42% (58% for Sterling Farms and 42% for Brennan) split. The Committee agreed with this, and they asked Mr. Cassone to draft language that will be added to the Sterling Farm lease. The Committee felt that as long as the intent of the original proposed ordinance is met, it agrees to include that language in the lease. The Committee voted 6-0-0 to hold the matter. In response to a question from Mr. Skigen, the 58-42 split is for all permits sold at both courses.
