1. **E27.009**  RESOLUTION; naming the Media Center at International School at Rogers Magnet after Moira Lyons.  
   09/29/06 – Submitted by Susan Nabel  
   09/26/06 – Approved by Board of Education  
   11/08/06 – Held in Committee 6-0-0

Vice Chair Molgano stated that the Committee held the item as it was unaware of the provision to override the requirement that the person being honored must be deceased.

Rep. DeLuca moved to take the item out of committee; said motion was seconded. Mr. DeLuca stated that this item has been under consideration for about two years and he doesn’t feel additional information will be gained over the next month. Mr. Zelinsky stated the item was just introduced, so he is not aware of who was discussing this item. Mr. Day stated that this item was in fact on the agenda and a distinction can be made from the standpoint of timeliness. Mr. Lodato stated that the intent of holding the item was to find additional information; that additional information was located this evening, so therefore he sees no reason to not vote on it this evening.
Vice Chair Molgano moved to take Item No. E27.009 out of Committee; said motion was seconded and approved by a vote of 27-6-0 (Reps. Aposporos, Blackwell, Boccuzzi, Cannady, Coppola, Day, DeLuca, Diamond, Figueroa, Franzetti, Giordano, Larobina, Layton, Lodato, Lombardo, Lyons II, Mallozzi, C. Martin, D. Martin, McCullen, Mirkin, Mitchell, Molgano, Pia, Skigen, Summerville and Young in favor; Reps. Adams, Berns, Greenberg, Rauh, White and Zelinsky opposed) (See RCS Vote Record No. 748).

Vice Chair Molgano moved approval of Item No. E27.009; said motion was seconded.

Vice Chair Rauh stated that the intent of holding the item was to secure additional information, and she would like to see the ordinance herself, and therefore she will vote against the item.

Rep. Skigen read the section of the Code, that says "no city street, park or facility, street within a subdivision or portion thereof, shall be named to memorialize any person unless such person has been deceased for more than six months prior to the submission of such proposal, and only after a specific finding by the Board of Representatives that either no suitable geographic or historical name for such street, park or facility exists or that such person has contributed substantially to the establishment of such street, park or facility or because of such person’s contributions to the entire community. Upon a showing of good cause, the Board of Representatives may waive any of the aforementioned requirements by a resolution of two-thirds of the Board."

The President announced that it would require a vote of 27 members to approve this resolution. Messrs. Day and Skigen agreed with the President’s decision.

Rep. Diamond stated that there is in fact good cause, that Moira Lyons served this community with distinction. She rose to the prestigious post of Speaker of the House of Representatives of our State, and in fact, did contribute significantly to the development of this particular facility that is being named for her – the Media Center at the International School at Rogers Magnet School. Therefore, there is good cause and he asked his colleagues to support the resolution.

Rep. DeLuca stated that the students and the parents of the International School asked that this honor be bestowed upon Moira Lyons.

Rep. Zelinsky stated that Moira Lyons was instrumental in getting funding from Hartford for this facility. He did check with Susan Nabel as to whether in the last 10-15 years there was a facility named after a living person, and she informed him that to her knowledge this has not happened.

Rep. White stated that he knows Moira has done a wonderful job, he has always supported her and voted for her. But, he has always voted against naming something for someone who is alive. He thinks it is a slippery slope. If you want to recognize a
person now, you can recognize them. They are elected to that position to do exactly what she has done.

Upon a determination by the Chair that the above motion to move the question in fact FAILED (as it required a 2/3 vote) (reference: RCS Vote Record No. 749), the president re-opened debate and determined that the main motion was not valid (reference: RCS Vote Record No. 750).

Rep. Coppola stated that it is a nice idea to honor a person who has done so much for our community while she can appreciate it rather than waiting.

Clerk Summerville stated that it is wonderful and beautiful that we can honor someone who can appreciate it. She added that we had a good representative, and we still have a hard-working citizen in the City of Stamford, and she believes The Honorable Moira Lyons deserves this honors being bestowed upon her. She is also supportive of the efforts Rep. DeLuca is making to remember the late Honorable Louis Clapes at the Old Town Hall.

Upon conclusion of debate, a motion to approve the resolution was made, seconded and approved by a machine vote of 32-0-3 (Reps. Adams, Aposporos, Berns, Blackwell, Boccuzzi, Cannady, Coppola, Day, DeLuca, Diamond, Esposito, Fedeli, Figueroa, Franzetti, Giordano, Larobina, Layton, Lodato, Lombardo, Lyons, Mallozzi, C. Martin, D. Martin, McCullen, Mirkin, Mitchell, Molgano, Pia, Skigen, Summerville, Young and Zelinsky in favor; Reps. Greenberg, Rauh and White abstaining) (See RCS Vote Record No. 751).
