

Government Committee of the Charter Revision Commission
Minutes of the Monday, March 19 Meeting

Present: Dudley Williams, Susan Nabel, Josh Fedeli. Vincent Freccia, Chair, and Rick Roseman were excused.
One guest, Mr. Frank Vartuli, was present.

The meeting was called to order by Dudley Williams, Acting Chair, at 6:10 p.m.

The minutes of the March 5 Government committee were approved.

Beginning with Charge 28, the Committee reviewed the [Government Committee Chart of Charges](#) in preparation for discussion at the full Commission meeting on Wednesday, March 21.

The Committee discussed the newest charge, 119, regarding a proposed Historical Preservation Commission or Panel. Members agreed that there is merit to the idea, and that any such Commission or Panel would be an advisory body, perhaps under the wing of the Planning Board. The Committee felt that it would be valuable to the City of Stamford to be able to call on such a board for background on potential historic structures in a proactive rather than a reactive manner. It was agreed that the discussion would continue when all members were present.

Pending the appearance of Mr. Frank Fedeli on March 26, the Committee tabled further discussion of the Citizens' Bill of Rights.

The next meeting of the Government Committee will take place on Monday, March 26. Mayor Pavia and Mr. Frank Fedeli will attend as invited guests.

The meeting was adjourned at 7:25 p.m. on a motion by Josh Fedeli, seconded Susan Nabel.

Respectfully submitted,
Susan Nabel
