be included as a cost of the capital budget items approved hereby, to the extent such
interest is paid from the proceeds of such renewals or said bonds. Upon the sale of the
bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the
payment of the principal of and the interest on any such notes then outstanding or shall be
deposited with a bank or trust company in trust for such purpose.

City. Said bonds, notes or other obligations shall be issued to reimburse such
expenditures not later than 18 months after the later of the date of the expenditure or
the substantial completion of the project, or such later date the Regulations may
authorize. The City hereby certifies that the intention to reimburse as expressed
herein is based upon its reasonable expectations as of this date. The Director of
Administration or his designee is authorized to pay project expenses in accordance
herewith pending the issuance of reimbursement bonds.
