more series to meet the City’s portion of the additional capital budget appropriation to the
capital budget of the City made by the Board of Finance and the Board of Representatives
identified above. The bonds shall be general obligations of the City and each of the bonds shall
recite that every requirement of law relating to its issue has been duly complied with, that such
bond is within every debt and other limit prescribed by law, and that the full faith and credit of
the City are pledged to the payment of the principal thereof and interest thereon. The aggregate
principal amount of bonds to be issued, the annual installments of principal, redemption
provisions, if any, the certifying bank, registrar, transfer agent and paying agent, the date, time
and manner of issue and sale and other terms, details and particulars of such bonds shall be
determined by the Board of Finance. The bonds shall be sold at not less than par and accrued
interest on the basis of the lowest net or true interest cost to the City.

Section 2. The Mayor and Director of Administration are authorized, subject to the
approval of the Board of Finance, to make temporary borrowings in anticipation of the receipt of
the proceeds of said bonds. Notes evidencing such borrowings shall be designated “Bond
Anticipation Notes”, be signed by the manual or facsimile signatures of the Mayor and the
Controller, have the seal or a facsimile of the City affixed, be certified by and payable at a bank

The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, may be included as a cost of the capital budget items approved hereby, to the extent such interest is paid from the proceeds of such renewals or said bonds. Upon the sale of the bonds, the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such notes then outstanding or shall be deposited with a bank or trust company in trust for such purpose.

Said bonds, notes or other obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the project, or such later date the Regulations may authorize. The City hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Director of Administration or his designee is authorized to pay project expenses in accordance herewith pending the issuance of reimbursement bonds.
