RE: Resolution Authorizing the Mayor to File an Application and Enter into an Agreement with the State Department of Public Health for the Purpose of Providing a Cardiovascular Health Program for Stamford Residents

Dear Board Members:

Attached is a resolution authorizing an agreement with the State to operate the Cardiovascular Health Program. The Health Department expects to receive funding in the amount of \$40,000.

The program goal is to reduce the risk factors associated with cardiovascular disease for at risk populations in Stamford. To that end, grant funds will be used to fund a part-time epidemiologist, provide training for the epidemiologist, and conduct a needs assessment through a subcontractor.

Please consider this item at your next regular meeting. Questions about this program may be addressed to Dr. Anthony Iton, Health Director, at 977-4396.

Sincerely,

Dannel P. Malloy
Mayor
