Re: Resolution Authorizing the Mayor to Enter Into Agreement with the State of Connecticut for the 2003/2004 Local Substance Abuse Prevention Council Program

Dear Mr. Martin:

Attached please find a resolution authorizing the Mayor to enter into agreement with the State of Connecticut for funding assistance provided through the Department of Mental Health & Addiction Services to support local substance abuse prevention activities that are coordinated through a local council. The local council is comprised of a broad spectrum of community representatives working along with the Youth Services Bureau.

Substance abuse prevention activities that will be supported through this grant include the *Education Through Adventure Ropes* course which builds self esteem and communication skills, *Students Against Destroying Dreams* which provides awareness and education activities focused on alcohol and drug abuse among high school students, and *Youth Leadership Council* activities wherein teens train other teens to develop leadership skills, as well as the Youth Services Bureau's annual event honoring youth and adults who have made a positive impact on Stamford teens.

Questions with regard to this resolution should be addressed to Mary Willis at 977-4643.

Very truly yours,

Dannel P. Malloy
Mayor
