OF HOUSES LOCATED IN THE VICINITY OF HANNAHS ROAD,
VERY MERRY ROAD, LARKSPUR ROAD AND COUSINS ROAD
AND WAIVING ALL REIMBURSEMENT BY INDIVIDUAL PROPERTY OWNERS

WHEREAS, the Mayor has received a recommendation from the Director of Health that houses located in the vicinity of Hannahs Road, Very Merry Road, Larkspur Road and Cousins Road be promptly connected to the public water supply by the extension of water mains and service laterals, due to elevated levels of dieldrin and chlordane in well water samples collected from houses in the area, which could negatively impact the health and safety of the occupants of the homes whose drinking water is supplied by the wells; and

WHEREAS, the Office of Operations has completed an estimate of the cost of connecting the designated areas to the public water supply by the extension of water mains and service laterals; and

WHEREAS, Section 238-21 of the Code of Ordinances of the City of Stamford permits the Board of Representatives to approve (a) the connection of the designated area to the public water supply and extension of the water mains and (b) waiver of reimbursement of all or part of any owner's proportionate share of the cost of said extension; and

WHEREAS, the Mayor has requested that the Board of Representatives approve such a connection and waiver of reimbursement; and

WHEREAS, the Public Safety and Health Committee of the Board of Representatives has recommended approval of (a) the connection of the houses in the designated area to the public water supply by the extension of the water mains and service laterals, and (b) waiver of all reimbursement by the individual property owners in the designated area of the costs of said extension; and

WHEREAS, it is in the best interests of the City to connect the houses in the designated area to the public water supply by extension of the water mains and service laterals and to waive reimbursement by all owners of such houses of the owner's proportionate share of the cost of said extension; and

NOW THEREFORE BE IT RESOLVED by the 27th Board of Representatives of the City of Stamford that:
